### **Greetings!**

The much anticipated day is almost upon us! In just a few short weeks, on Tuesday, November 8th, the Presidential Election will be held to determine not only who will become the next Commander in Chief of the United States, but also who will secure office on the Federal, State, and local levels. Here in Palm Beach County, voters will also have the opportunity to decide whether or not a Penny Sales Surtax should be levied to repair and replace critical infrastructure in the school system as well as in the county and municipalities. Here is a link to everything you need to know about [voting in Palm Beach County](#).

We urge you to exercise your right and civic duty to vote on November 8th and also to participate in activities here in the Village during the month as we continue to strive to make Palm Springs "***A Great Place to Call Home!***"

### ***Information about the Proposed One-Penny Sales Surtax to be considered in Palm Beach County***

On **Tuesday, November 8th**, during the Presidential Election, Voters in Palm Beach County will also decide on a ballot proposal to increase local sales tax by one cent from 6 percent to 7 percent. It is estimated that this surtax will generate revenue of approximately \$2.7 billion over the course of up to 10 years, from Jan. 1, 2017 through Dec. 31, 2026. However the ordinance will sunset if total aggregate distributions of surtax proceeds equal or exceed \$2.7 billion on or before September 1st of any year. The purpose of this surtax is to fund infrastructure repairs, renewals and replacements, and maintain current levels of service countywide
