Dear Bill,

Unfortunately, due to the extremely high volume of garbage being put out within the county the Solid Waste Authority has experienced long delays in receiving garbage. Because of this, areas of the county - including the Village - will not receive further garbage service until after the storm. **Please pull back your garbage cans and secure them until after the storm.** Regular garbage service will resume as soon as possible once the storm passes. We just learned of this and are very sorry for the inconvenience. Thank you for your patience and understanding.

In addition, please be advised Palm Beach County will begin a countywide **curfew** during this hurricane beginning Saturday, September 10, 2017 at 3:00 pm.

The curfew will remain in effect until additional information is sent out and the roadways are clear. Only "essential emergency personnel" will be permitted weather permitting, to be out during the curfew hours.

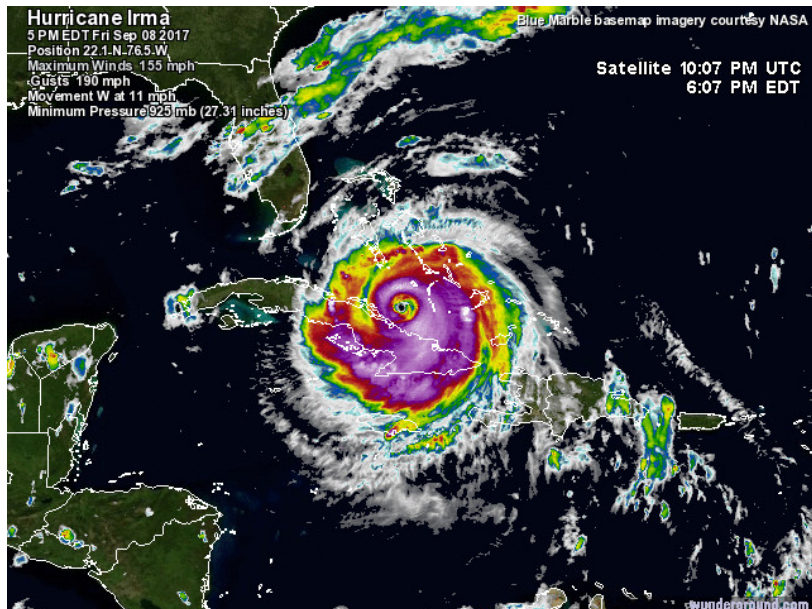

Please Be Safe!

Important Storm-Related Information

The links below provide tips on how to prepare for a storm and other sites to update you on the storm's progress.

After the storm, please help us with recovery efforts and send photos of damage and flooding to stormpics@vpsfl.org and note from where the photo was taken.

The safety and well being of you and your family as well as your property is our primary concern. Please help us by taking these steps to do everything possible to avoid being negatively affected by these potential perils.

Sincerely,

Bill Golson
Village of Palm Springs
